KurzbeschreibungREVIEWSI really loved this book, couldnt put it down...One of the best books I have read in a long time.Life affirming'I would give this book 10 stars...'Made me laugh, made me cry, read it non-stopWhilst it deals with love and life, the writer bravely includes much grittier stuff which lifts this book from the genre...'PRODUCT DESCRIPTIONA heart-warming, heart-aching story about friendship and love...There's someone out there for everyone - isn't there? Frankie Valentine absolutely knows happy ever after exists. She sees it every day, amongst her close friends and the brides that flock to her small flower shop. The only trouble is, her boyfriend Greg, isn't it... Nor are her friends' friends that they're determined to matchmake her with.Then, one morning, looking her worst and suffering the mother of all hangovers, she meets Alex. For a moment, she wonders, if he's the one - only that too, seems to be over before it's even started. And she decides it's about time something changed. Then out of the blue, with a huge celebrity wedding in her sights, Frankie meets Lulubelle, whose small son is very sick. And drawn into their world, nothing will ever be the same...KurzbeschreibungREVIEWSI really loved this book, couldnt put it down...One of the best books I have read in a long time.Life affirming'I would give this book 10 stars...'Made me laugh, made me cry, read it non-stopWhilst it deals with love and life, the writer bravely includes much grittier stuff which lifts this book from the genre...'PRODUCT DESCRIPTIONA heart-warming, heart-aching story about friendship and love...There's someone out there for everyone - isn't there?
