Von Wilma Counts : Willed To Wed before purchasing it in order to gage whether or not it would be worth my time, and all praised Willed To Wed:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. I thought Willed to Wed was a very good book. Von Ein KundeI generally would not write a review but after reading Newton Maine's review on Willed to Wed by a new author Wilma Counts I decided to let the author know that I thought the book was well written and very good. Being a new writer I am looking forward to reading more of her work in the future.0 von 0 Kunden fanden die folgende Rezension hilfreich. tediousVon Ein KundeWilma counts starts with a standard plot, one which other authors have used to build romantic tension, and creates: tedium. No one laughs, no sparks fly, no characters come to life. The worst news comes on page 224, where we learn that the author is working on a new regency.0 von 0 Kunden fanden die folgende Rezension hilfreich. Two lovers thrown together by the "will" of their ancestors. Von Ein KundeI loved the book! It was full of history and had some very touching scenes. The characters are lively and the book was hard to put down. I can't wait for her next release!

KurzbeschreibungAccording to the will of Lady Sarah Longbourne's Grandpapa, she would inherit only if she wed the heir to the adjoining estate. Of course Grandpapa thought her fiance would be sweet Robert Markholme. But the young man's drowning changed everything. Now the independent lady had to marry a stranger -- Matthew Cameron, whose new estate was in debt But could a marriage of convenience between a reluctant bride and groom lead to a lifetime of love? KurzbeschreibungAccording to the will of Lady Sarah Longbourne's Grandpapa, she would inherit only if she wed the heir to the adjoining estate. Of course Grandpapa thought her fiance would be sweet Robert Markholme. But the young man's drowning changed everything. Now the independent lady had to marry a stranger -- Matthew Cameron, whose new estate was in debt But could a marriage of convenience between a reluctant bride and groom lead to a lifetime of love? Synopsis Angered by her grandfather's will, which links her inheritance to marrying the heir to the adjoining estate, the independent Lady Sarah Longbourne finds herself forced into a marriage of convenience to Matthew Cameron, an embittered and debt-ridden man who mistrusts all women. Original.
