Von Marlys Millhiser : Willing Hostage (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Willing Hostage (English Edition):

Kurzbeschreibung Taken hostage by a man who isn't what he seems, a woman discovers her hidden survival skills on a road trip strewn with assassins and covert agents. Desperate to escape bitter heartbreak and the fresh wound of her mother's suicide, Leah Harper leaves Chicago and heads west. When a storm forces her to seek shelter in a dilapidated motel in the Rockies, a gun-wielding stranger believing her to be someone else barges into her room and takes her hostage. Her kidnapper, Glade Wyndham, is also on the run. The only way for Leah to stay alive is to pretend she's Sheila, the assassin Glade believes her to be. Embroiled in a struggle between the FBI and her captor, Leah finds herself forging an uneasy alliance with a man who could be the most dangerous adversary of all. And there's absolutely no one she can trust. Featuring a cast of intriguing and unforgettable characters, *Willing Hostage* is a mysterious and suspenseful novel of adventure, second chances, and a woman discovering a confidence and inner strength she never knew she possessed.
