Gut gemachte LiebesgeschichteVon LoveLetter MagazinAls Tochter eines Vietnam-Veteranen und Leiters einer Schule fr Sldner wchst Josie McCall wohlbehet, isoliert und vortrefflich als Soldatin ausgebildet auf. Mit 26 Jahren beschliet sie, das Leben als Sldnerin hinter sich zu lassen. Als kurz darauf im Ausbildungscamp ihres Vaters eine Bombe hochgeht und er auf mysterise Art verschwindet, wird ihr Plan vom normalen Leben jh unterbrochen. Mit Hilfe seines Geschftspartners, dem mrrisch wirkenden und stillen Nitro Daniel Black Eagle, macht sie sich auf die Suche nach ihrem Vater und dem Grund der Explosion. Schon lange hegt Josie Gefhle fr Daniel. Sie ist jedoch der berzeugung, er wrde sie nicht mgen. Das Gegenteil ist der Fall...Josie ist, obwohl mit 26 noch Jungfrau, keine naive Heldin. Sie ist

stark, kompetent und liebenswert und hat lediglich das Problem, dass sie sich weder zu der rauen Welt der Sldner, noch der normalen Welt zugehörig fñhlt. Wie schon im ersten Buch der Trilogie, sind die Liebesszenen ausführlich und detailliert beschrieben und nehmen sehr viel Platz ein. Das Hauptaugenmerk der Geschichte liegt aber auf den emotionalen Hrden, die das Paar erst berwinden muss, bevor es, trotz bereits bestehender krperlicher Nhe, endgltig zueinander findet. Eingebettet in eine spannende Geschichte, gelingt es der Autorin wunderbar, die Charaktere lebendig werden zu lassen und deren Probleme glaubhaft darzustellen. Wer dieses Buch gelesen hat, wird auch den dritten und letzten Teil rund um die Freunde Wolf, Nitro und Hotwire nicht verpassen wollen.

KurzbeschreibungMeet three sexy men who individually are Ready, Willing, and Able to go the distance--and together, are unstoppable. . . Josie McCall left her dad's mercenary school for a normal job in computers. But now that someone has torched the school and her dad is MIA, Josie's going to use every bit of her training to hunt down the culprits who took him. Josie knows a lot about explosives, hand-to-hand combat, and tracking. What she doesn't know about is sex. She has no idea what to do with the volcanic attraction she feels for her dad's new partner, Daniel Black Eagle. And that feels more dangerous than any bomb. . .Daniel knows exactly what he'd like to do about that attraction. He can't get within five feet of Josie without wanting to touch, taste, and protect her. But right now he's got his hands full figuring out who set that bomb and took Josie's dad. Daniel's sure of one thing, though--he's not letting Josie McCall out of his sight for a single second. . .KurzbeschreibungMeet three sexy men who individually are Ready, Willing, and Able to go the distance--and together, are unstoppable. . . Instead, she left her dad's mercenary school behind for a normal job in computers. But now that someone has torched the school and her dad is MIA from the hospital, Josie's going to use every bit of her merc training to find him and hunt down the culprits who took him. Josie knows a lot about explosives, hand to hand combat, and tracking. What she doesn't know about is sex. She has no idea what to do with the volcanic attraction she feels for her dad's new partner, Daniel Black Eagle. And that feels more dangerous than any bomb. Daniel knows exactly what he'd like to do about that attraction. The brooding explosives expert can't get within five feet of Josie without wanting to touch, taste and protect her even if he's sure she would happily drop kick him if she knew one sizzling moment of his fantasies. But he'll save it for later. Right now, he's got his hands full figuring out who set that bomb and took Josie's dad. Daniel's sure of one thing, though he's not letting Josie McCall out of his sight for a single second.Convincing the cutest, most desirable trained soldier he's ever met that she needs a bodyguard isn't going to be easy. But if she'll let him, he'll show her he's willing to do whatever it takes to keep her safe, and along the way, he'll make her feel every inch a woman.
