Kurzbeschreibung When life gets complicated, New York Times bestselling author Sherryl Woods proves family and love can make all the difference. Facing a personal crisis, ambitious and driven Gabriella Castle retreats to the welcoming arms of her family. Everything she's worked for has been yanked out from under her, and she seeks the serenity of her grandmother's home on the North Carolina coast. With difficult decisions to make about her future, the last thing she wants is an unexpected love. Wade Johnson fell for Gabi the first time he saw her. It's not the only time he's found himself in the role of knight in shining armor, but Gabi isn't looking for a rescuer. To get her to stay, Wade will need a whole lot of patience and gentle persuasion and maybe the soothing sound of wind chimes on a summer breeze.
