Von Lynn Austin : Wings of Refuge before purchasing it in order to gage whether or not it would be worth my time, and all praised Wings of Refuge:

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich. A History lesson on forgivenessVon MommaFieldsLynn Austin does a great job of blending the lives of Abby, Hannah, and Leah into a story of the power of hate and the even stronger power of forgiveness. She accomplishes this by putting you right into the lives of each of these women through a series of "flashbacks" throughout the story. At first

this bothered me (I'm not a "dream sequence fan!") but as the book progressed I realized that it was the best way to tell each story. When you experience the hurt with them, you can also experience the joy and peace that forgiveness brings. For people interested in history of the Holy Lands, this covers the Roman invasions to present day conflicts. The descriptions of the wars and the prejudice are accurate give insight that we don't get from the news. I learned a lot, after I stopped skimming those parts! They are important to help you know the characters - and how forgiveness was hard for them and those they love. An excellent choice for you who love historical fiction, as well as you romance-only readers. This book shows that everyone needs to be forgiven - and sometimes forgiving ourselves is hardest of all. A second wonderful book by Lynn Austin.

Kurzbeschreibung A Powerful Story Set Against the Backdrop of Today's Israel Nothing in Abigail MacLeod's life as a wife, a mother, and a teacher has prepared her for what she will experience during her summer in Israel. At forty-two, her life is in chaos, even before she leaves home--her marriage is dissolving before her very eyes, her faith is in shambles. This pilgrimage to Israel was supposed to be a new beginning for her. But by the end of the first day, she is forced to board an Israeli jetliner in spite of a bomb threat, and watches helplessly as a kind, fatherly gentleman she befriended on the plane dies in her arms. This is a summer Abby will spend learning about archaeology, delving into the past. And it's a summer that will change her life in ways she never imagined. **Kurzbeschreibung** A Powerful Story Set Against the Backdrop of Today's Israel Nothing in Abigail MacLeod's life as a wife, a mother, and a teacher has prepared her for what she will experience during her summer in Israel. At forty-two, her life is in chaos, even before she leaves home--her marriage is dissolving before her very eyes, her faith is in shambles. This pilgrimage to Israel was supposed to be a new beginning for her.
