Absolutely Loved ItVon Ein KundeI've been reading Barbara Micheals novels for years now (I'm pretty sure I've gone

through all of them now) and *Wings of the Falcon* is my favorite. I love the characters, particularly Stefano and Francesca. It is a little predictable, but then again most of her novels are. The story of the revolution and the war is gripping. This book is definitely the "guilty pleasure" on my bookshelf -- I reread it frequently and simply love it. It has romance, mystery and adventure . . . if you like Barbara Michaels you will love this book, which I think is her best.1 von 1 Kunden fanden die folgende Rezension hilfreich. Mystery, Italy and romance -- this book has it all!!Von Ein KundeFor anyone who has read and enjoyed a Barbara Michaels/Elizabeth Peters novel, you will love this book. After her father's death, Francesca travels to Italy to live with a family she has never met. While there, Francesca learns about a mysterious rider called the Falcon who is trying to raise a rebellion against the aristocracy and papal ruling. Francesca finds herself enthralled by the Falcon and even aids him in his cause but his identity remains a mystery even to her. This book has mystery, adventure, romance, and humor all rolled into one.1 von 1 Kunden fanden die folgende Rezension hilfreich. Historical Fiction -- A great work!Von Mary Chrapliwy / Reviewer's DiaryThis book is a bit of a departure from the mystery/suspense that Barbara Michaels' is best known for. It is more of a historical work of fiction. It does contain the suspense that Ms. Michaels' is known for. The book is well written and held my interest enough that I read it in one day! It now has an honored place on my bookshelf!

KurzbeschreibungThe death of her English father left Francesca alone and unprotected, with nowhere to turn but to the noble Italian family of her late mother. Adrift in a strange land, surrounded by cold and suspicious relatives who had disowned her mother on her wedding day, Francesca is determined to make the best of a bad situation. But nothing could have prepared her for the nest of dark secrets and oppressive cruelty she has been cast into. And her fate now rests in the hands of a mysterious horseman known as the Falcon, whose appearance will speed her salvation ... or hasten her doom.**Kurzbeschreibung**The death of her English father left Francesca alone and unprotected, with nowhere to turn but to the noble Italian family of her late mother.
