A wonderful and exciting storyVon October15Of all of Lori Wick's books, this has to be one ofmy favorites. I love the character Smokey and howshe captained her own ship. The scene where Smokey and Brandon fight a duel and she wins is my favorite, mainly because no one believed that she could fight so well. That's what I love about Lori Wick's

characters. Each one has something unpredictable about them. Intriguing characters coupled with an engaging and interesting plot make "Wings of the Morning" a great book to curl up with and enjoy. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Absolutely Her Best! Von Ein Kunde I have all books Lori Wick has ever written and have read them many times. By far, this is her best. Something about these characters is special. They draw you into their story and become a part of you long after you turn the last page. God is always the hero in her books, and Wings of the Morning is no different. The chemistry between the characters is marvelous. Everyone I loan this book to returns it to me smiling and always saying it was their favorite. Thank you, Lori Wick for your marvelous work! 0 von 0 Kunden fanden die folgende Rezension hilfreich. My favorite Lori Wick novel! Von Jo This is the first Lori Wick novel I ever read. And I've reread it \*several\* times since. (Even named my cat after the main character!) This whole series is also my favorite. Mrs. Wick creates such intriguing characters, plots, and situations. You can visual what's happening as you read. And the love of God that flows throughout the book is just fantastic. Two thumbs up (I'd give more, but that's all God gave me!) I wish Mrs. Wick would write more in this series!
