Mitnichten nur ein Frauenbuch!Von filmfreakda mir dieses Buch von einem englischen Freund wrmstens empfohlen wurde und ich mir ohnehin fest vorgenommen hatte etwas Englisches zu lesen, um selbiges zu verbessern, griff ich zu - und habe es nicht bedauert. Hochintelligent, spannend und psychologisch ausgeklgelt geschrieben. Und wieso

nicht nur für Frauen? Seit ich in der Mitte angekommen bin, streiten mein Mann und ich, wer als Erster weiter lesen darf. Wenns so weiter geht, muss ich zwei auf Papier gedruckte Exemplare bestellen, sonst hängt der Haussegen schief ;-)
Empfehlenswert! 1 von 1 Kunden fanden die folgende Rezension hilfreich. Beautiful romance, heroes and love
Von Daniela C. Szasz I enjoyed the book from the first moment i started to read the first rows. Eventhough english isn't my mother language, i could easily follow and understand almost everything. Its a great book to just leave the everyday life for a moment behind and plung into a new world - Melanie's world..I hope its not the last book from Angelika Schwarz. Thankyou. 1 von 1 Kunden fanden die folgende Rezension hilfreich. WOW
Von DCWOW.... I certainly did not expect that, i'm not a big book critic so all I can say its a great story, very exciting and a must read!!!

Kurzbeschreibung What is a beautiful young woman from Massachusetts doing on a desolate mountain range, somewhere in Europe, running for her life? Melanie leaves the sheltered, Boston, suburban life and takes on a temporary job in Germany. Presented in the 70s Hippie era, Melanie and her roommate Anne discover Europe together. High on life and living the dream in cosmopolitan Munich, Melanie can't believe her luck. To complete her happiness, Richard, a successful architect, turns her head with his fascinating and adventurous charm. But then her good fortune takes a sudden turn. Her sweet journey transforms into a tainted mixture of fear and despair. Who is Richard Von Hallenburg really? The tender romantic moments, depicted from the stormy shores of Cape Cod to the lush, German, Cornflower fields, provide cutting contrasts to the intriguing entanglements of love, friendship, betrayal and murder. Who and why would anyone want Richard and Melanie dead? Can the Raincoat Lady lead Melanie on to the right path, or is it too late?
