fans of TPE and BDSM kinky fans. Von LenaRibkaWell...There are enough Warnings EVERYWHERE not to attract the false readers to the book. So, if you will be shocked by an extremely graphical presentation full of taboos, you can blame ONLY yourself, it is really only your OWN fault. Because before you can dive into this collection out of 17 VERY SMUTTY short novels you have to pass first through the warnings of publisher, then through the author's foreword - that explains you the meaning of TPE (Total Power Exchange) - and at last through the editor's note. You still didn't get it? Then let ME warn you: IT IS A PORN. A VERY KINKY PORN. You're looking for a sweet romance? Skip this one. You're looking for something that makes you think? Skip this one. You're looking for very good quotes? Skip this one. You're a vanilla girl/boy? Skip this one. You want something to...er...masturbate? WELL...already better, but you should get first at least a sample. Just to let you know - we need different books for the...er...intimate time with ourselves. If you prefer something very romantic, skip this one. That's all.

Kurzbeschreibung The prolific author Christopher Pierce (christopherpierceerotica.com) has appeared in practically every gay magazine and more than three dozen story anthologies. Winner Takes All, his newest collection, offers the title novella and 16 shorter stories about gay Master/slave relationships, ranging from the edgiest to the most romantic with every variation in between. While only a few stories are set in other times or other worlds than our own, they are all sex fantasies, not slices of life. Their aim is to entertain, which they do splendidly. Advance readers of Winner Takes All have said that "Masters and slaves pop off the pages like heroic figures from the leather underworld" (Jay Starre) in "lip-smackingly kinky tales" (Jeff Mann) featuring "beautiful language, touching characterization, poignant plotting, and a full-bodied eroticism" (M. Christian, in his Foreword). The stunning original cover image is by Thom Magister, himself a Perfectbound Press author (The Slave Journals and Other Tales of the Old Guard).
