Kurzbeschreibung Winter Dreams is a short story of love, friendship, betrayal by F. Scott Fitzgerald from 1922. This kindle title is properly formatted for the kindle with an active table of contents and an NCX table of contents to allow you to move from one chapter to another using the 5-way button of your kindle device. Synopsis There was all the ecstasy of an engagement about it, sharpened by his realization that there was no engagement. It was during those three days that, for the first time, he had asked her to marry him. She said "maybe some day," she said "kiss me," she said "I'd like to marry you," she said "I love you"--she said-- nothing.
