Von Frankie Rose : Winter (Four Seasons Series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winter (Four Seasons Series Book 1) (English Edition):

Kurzbeschreibung**New Adult Romantic Suspense novel. Suitable for readers 16+**N.B. This book was previously released under the pen name Nikita Rae. There have been significant changes to the storyline and voices of the characters. The book has also been re-edited. Please make sure the original book is not already in your kindle library before purchasing!A girl with a dark history Avery Bresllin took a leap of faith when she changed her name. As Avery Patterson, she is no longer the daughter of a serial killer. No longer the girl who was bullied and abused through high school. A fresh name and a fresh start at Columbia University means Avery can leave all that behind. Theres only one thing marring her dream of a clean slate. A boy with a past of his own Luke Reid has a lot going for him: sex appeal, badass tattoos and insane musical talent. Despite his guitar skills, his calling in life has always been to serve and protect. A NYPD cop by day, singer in rock band D.M.F by night, from the outside Luke seems like hes got it made. But falling for a girl whose father was accused of deeply sinister acts a man whom Luke shared a devastating history with, himself only serves to complicate things. Pieces of a puzzle. Four symbols, four methods of destruction. A trade. Borrowed wings. Dark secrets that threaten to destroy.
