Von Adele Ashworth : Winter Garden (Winter Garden series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winter Garden (Winter Garden series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich.
Excellent!Von Ein KundeI just finished the book last night, and thought it was one of the best books I'd read in a long

time. The characters were strong, and their motivations were understandable and consistent with their characters. The physical intimacy between the hero and the heroine, while explicit, served to move the story forward and built a better understanding of the characters, particularly Thomas, over time. Thomas was a wonderful hero! Tortured but strong, so full of love for Madeleine, so afraid it wouldn't be returned, but willing to gamble everything that, if she got to know him, her love for him would come with time. I don't have nearly enough time to read as much as I'd like, and my TBR pile grows daily, but this book is a keeper, and one I'll look forward to reading again. I thank Ms. Ashworth for all three of her books, and I look forward to reading her next one.

The two main characters have great sexual chemistry, but the rest of the plot which involves investigating an opium drug smuggling operation doesn't have an exciting, active resolution. I also felt that Madeline, an engaging, beautiful Frenchwoman and English spy, didn't have much to do. And the ending which reveals the hidden identity of the hero completely turned me off. I recommend the book if you like Ashworth's writing style and brooding, romantic men, i.e. "The Burning Point" by Mary Jo Putney.

Character-driven romance satisfies on every level Von Ein Kunde WINTER GARDEN is a beautiful, character-driven love story featuring wonderful, intense, frank dialogue between a well-matched hero and heroine. Madeleine DuMais is a half-French/half-English spy for the British government. After years of working from France, she is called to the small village of WINTER GARDEN in southern England, to work in concert with fellow spy, Thomas Blackwood. Together they pose as scholar and translator as they work to uncover an opium smuggling operation. The heart of this fine novel, however, is the relationship between Thomas and Madeleine. Both carry scars -- his physical, hers emotional -- from their pasts. In addition, Thomas bears a secret that he knows threatens his fragile relationship with the beautiful Maddie. For her part, Madeleine cannot imagine any other life but the one she's lead. Fearful of love, she wants only an affair with Thomas, physically satisfying, yet something she will be able to walk away from at the end of their assignment. In addition to the strong dialogue there are gorgeous, sizzling love scenes that are not in the least gratuitous; in fact, they are absolutely integral to advancing the relationship between Thomas and Madeleine. WINTER GARDEN packs a powerful, emotional wallop. You may find yourself in tears, but whatever you do, if you love a sensual romance, find WINTER GARDEN.

Kurzbeschreibung Exquisitely written and brimming with emotion. Julia Quinn Adele Ashworth is certain to become one of romances most beloved writers. Lisa Kleypas Adele Ashworth's Winter Garden is a stunning historical romance classic reborn. The story of a beautiful French woman, a spy for the British government, partnered with a breathtaking, intensely passionate man of mystery on perilous assignment in the south of England, Winter Garden is an early gem from RITA Award winner Ashworth. A wonderfully creative love story filled with unforgettable characters and brimming with palpable sexual tension, Winter Garden is the romantic destination where true romance lovers especially Ashworth's many fans and admirers of the novels of Cathy Maxwell, Christina Dodd, and Lisa Kleypas are going to want to spend quality time.

Buchrückseite A celebrated beauty, Madeleine DuMais' cleverness is her greatest asset one she puts to good use as a spy for the British. Assigned to help break up a smuggling ring in the south of England, she arrives at the quaint resort town of Winter Garden and meets her partner in subterfuge: Thomas Blackwood. Unlike any man she has ever met, Blackwood's quiet confidence and mysterious intensity send shivers of pleasure coursing through her. And, despite the danger, as duty gives way to desire, Madeleine aches for Thomas's gentle touch on her body . . . on her heart . . . on her soul. For surrender holds its own sweet reward . . .
