Interessante Lehrerin - Studentin Beziehung mit schrgem HauptcharakterVon BenGunEin gutes und interessantes Buch mit einem etwas schrghen Hauptcharakter. Ich hatte bei der Lektre ein ambivalentes Gefhl zu Dr. Elle Graft. Und

ich vermute, dass dieser Zwiespalt von der Autorin beabsichtigt ist. Elle ist 30 Jahre alt, Dozentin an einer kleinen Universität im Mittleren Westen. Sie hat unzählige sexuelle Abenteuer hinter sich und hlt sich fr beziehungsunfhig. Pltzlich verliebt sie sich in ihre Studentin Hunter Dyson. Unter Elle tut alles, um sich selbst und ihre Beziehung zu Hunter zu sabotieren. Sie beherrscht die Anleitung zum Unglcklichsein. Mich hat das ab etwa der Mitte des Buches sehr rgerlich auf sie gemacht, weil sie nie das tut, was man eigentlich erwarten msste. Doch Elle ist in sozialen Situationen mehr als einmal vllig hilflos und unreif. Die 10 Jahre Jngere Hunter dagegen ist in vielen Dingen reifer als Elle. Wirklich komisch und toll geschrieben sind die Dialoge zwischen Elle und ihrer besten Freundin Troi. Wie Troi Elle fter mal den Kopf zurecht rckt ist sehr ansant. Das Buch enthlt mehrere explizite Sexszenen. Insgesamt nur wenig Schreib- oder Grammatikfehler. Sehe lobenswert. Insgesamt sehr unterhaltsam und ich lese bereits eifrig den zweiten Teil. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Good read Von Customer The story is complex enough and I like that the characters, well atleast one of them (Elle) is morally challenged because of her attraction to one of her students and the rightness of it. What I did not like, was theridiculous attempt to create a meaningful conflict between the main characters, but maybe that's just me. I always find it annoying when the figures in a story get at eachothers throat because they misinterpreted what they were hearing somewhere. If they had the decency to just listen for a second, it would not get so unreasonably dramatic. But anyway, I liked the interaction between Elle and Hunter very much and have developed a soft spot for Elle's friends as well :). The ending was satisfying and leaves more than enough room for a sequel, if there isn't already one, I didn't check. Overall a very entertaining book for solitary hours in front of the chimney. 0 von 0 Kunden fanden die folgende Rezension hilfreich. student teacher love story Von kitty kat Elle and Hunter Love Story is awesome!! Kurzbeschreibung It all started with a broken classroom heater Graduate school prepares you for many things the rigor of academic life, how to pull consecutive all-nighters, and living off a meager stipend without having to be roommates with cockroaches. Elle Graft might have made it through six years of graduate school, but she's not convinced she'll survive her first position as an Assistant Professor. Because for all she learned, graduate school never prepared her for dealing with a student crush.
