Von Rachel A. Marks : Winter Rose (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winter Rose (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Kann ich nur empfehlenVon CustomerDie Story hat mich einfach umgehauen. Obwohl sie so kurz ist, ist sie wirklich tiefgrndig und die Personen sind einfach sehr schn ausgearbeitet.Ich htte nicht gedacht, dass mich dieses Buch so fesseln knnte, aber die Charaktere waren mir so sympathisch, ich musste einfach mit ihnen mitfiebern.Sehr schn war auch die

Liebesgeschichte, die sich langsam entwickelt hat. Kann ich nur weiterempfehlen.

KurzbeschreibungA dark and haunting tale of a young girl trapped in Winter, longing to be free. When Rose and her sister are left to fend for themselves and an ailing mother, they must fight both nature and the darkness of the soul to survive. A :*"Winter Rose"* by Rachel Anne Marks is a hauntingly beautiful coming of age story, reminiscent of *"Winters Bone"* by Daniel Woodrell. With lush prose and realistic characters, Marks crafts a tale that focuses on the difficult subjects of abandonment and poverty, and yet rises above these dark subjects through the use of magical realism and hope. The end result was a novella that I couldnt put down. Merrie Destefano, author of *"Afterlife: The Resurrection Chronicles"* and *"Feast: Harvest of Dreams."* **About the Author:** Rachel A. Marks is a writer and artist, a surfer and dirt-bike rider, chocolate lover and keeper of faerie secrets. She teaches her four kids at home and tries not to act like a nerd during science class. She was voted most likely to survive a zombie apocalypse, but hopes she'll never have to test the theory.
