Von Ingrid Stephanie Jordan Title: Winter Solstice Mnage Winter Solstice Run Book 4 Black Hills Wolves Author: Louisa Bacio Reviewer: Stephanie Jordan This is the first time for me to read from this author and it won't be the last. I like Ms. Bacio style in writing. I mean who wouldn't love to have twins. Twins Derek and Tyler Baker lived in Los Lobos there whole life. While Derek was the out going type and a womanizer, with any and every girl he want. Tyler was very reserved and wanted to save himself for his mate. Sugar Collins was a city girl, whose middle name should have been "TROUBLE" wherever Sugar went trouble followed. Going back to Los Lobos to avoid certain people, she decided to visit her brother lay low until he comes down. But Sugar's life changed when she met the Baker brothers. I was gifted this ARC for an honest and truthful review.
