Von Rachel M. Raithby : Winter Wolf (A New Dawn Novel Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Winter Wolf (A New Dawn Novel Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Winter WolfVon SiniFis***I received this book in exchange for an honest review from the Author and the Lovers of Paranormal Group on Goodreads.com***After losing her parents in a car crash, Katalina finds out she is a wolf-

shifter. Back with her pack, she has troubles to find her place and accept the rules of the pack. It doesn't help of course that she falls in love with Bas, the son of the enemy's pack alpha. I was quite torn and still am. In between I really hated Katalina. She was, just like all the other female main characters in the YA novels, a young woman who behaved like a spoiled small girl. It felt like she changed her opinion about everything every page. I'm still waiting for a book where I can respect the female main character and not think of her as a nuisance. I think the second half of the book was better than the first. Although the solving of the problems was done in like two sentences. It was an okay read.

Kurzbeschreibung Katalina Winter was prepared for life to change when she turned eighteen but she never expected to actually change. Learning that her birth parents were purebred wolf shifters is shocking enough. Now she's expected to take her place in their unfamiliar world. Caught between two warring packs, Katalina must learn fast. One pack, led by the father she has only just met, wants to control her and the other one wants her dead. However, there is one bright spot to shifting, and his name is Bass Evernight. Tall, dark, and oh-so-handsome, Bass is the wolf that Katalina craves. He's also strictly forbidden: a member of Dark Shadow, Bass is the son of her father's mortal enemy. Yet deep down inside, Katalina's new primal instincts howl that Bass is her mate. Can their love bring an end to the brutal war that has raged for so long, or will it spark the fighting around them into an all-consuming fire? Revised edition: This edition of *Winter Wolf* includes editorial revisions.

ber den Autor Rachel M. Raithby started her writing career in 2013 and hasn't looked back. She draws her inspiration from the many places she has lived and traveled, as well as from her love of the paranormal and thriller movies. She can often be found hiding out with a good book or writing more fast-paced and thrilling stories where love always conquers all. A Brit who left the UK in 2008, she resides in a quiet town in Queensland, Australia, with her family.
