**Von Susan Carroll : Winterbourne (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Winterbourne (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Faith and innocence are indeed strong weaponsVon Ein KundeThe historical background is catching - I have had the opportunity to read about the sorry fate of Matilda de Broese before. At the end of the Middle Ages, a young Lady claims to be married to the notorios Dark Night to avoid the advances of the King. The strength of the little heroine is quite remarquable, especially for her time. However, by the end of the book I found the moody hero to be quite boring. King John never enjoyed good press, but in this novel he is painted even worst than usual. Considering the miserable

state of finances the kingdom was in after King Richard Lionheart died, it is quite understandable that John had to find new and quick ways to refill the "national treasury". I don't mean to say he chose the right methods, but he definitely had extenuating circumstances which are too often forgotten.0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent historical romance!Von Ein Kunde1/28/99 I must agree with the reviewer from New Jersey. The historical detail in this novel was used as more than just a superficial backdrop, it had far reaching consequences on the characters' lives, and made the novel a very interesting and exciting read.The hero and heroine were also very unique in unexpected ways, especially in the manner that they became connected in the past. I have read romance novels, and this one stands out from many that are out there. Carroll's "The Bride Finder" is also excellent!0 von 0 Kunden fanden die folgende Rezension hilfreich. AN EXCELLENT READVon Ein KundeI just finished this book. I couldn't put it down. It's been a long time since I've read a book that brings the history of an era so much alive as Susan Carroll did in this one. I would love to read a sequel to this book. Jenny's character was so well established in this story, that you can't help but wonder what kind of woman she would grow up to be. She was already so much like her father. A story about a woman with the same strength, convictions, and disposition that Jaufre had would make for a very exciting story.

KurzbeschreibungIn a desperate move to resist the advances of the tyrant King John, beautiful young Lady Melyssan claims to be married to the king's worst enemy, Lord Jaufre de Macy, the legendary Dark Knight without Mercy. Seeking shelter at Jaufre's abandoned Castle Winterbourne, Melyssan is unprepared for the angry warrior who returns to expose her deception. Jaufre is a man as harsh and unforgiving as the Welsh borderland he rules, but Melyssan knew him from a time long ago when he was her champion, gentle and chivalrous. Melyssan must strive to find her way back into Jaufre's heart before they are both destroyed by the wrath of a vengeful king. Winterbourne is a classic historical romance by Susan Carroll, author of The Bride Finder and The Dark Queen series.KurzbeschreibungIn a desperate move to resist the advances of the tyrant King John, beautiful young Lady Melyssan claims to be married to the king's worst enemy, Lord Jaufre de Macy, the legendary Dark Knight without Mercy.
