SM Story mit sehr selbstbewusster SubVon Bianca FlierEine SM-Story mit einer weiblichen Protagonistin, die wohltuenderweise einmal nicht sofort vor dem unwiderstehlichen Dom in die Knie geht. Im Gegenteil. Kennedy hat allen Grund, dominanten Mnnern zu misstrauen, und als Graham ihr Nein nicht akzeptieren will, kriegt er erst mal im wrtlichen Sinne eins auf die Nase.In der Folge entwickelt sich aber doch eine Beziehung zwischen den beiden, die durch auf Auftauchen einer Ex samt Nachwuchs eine recht dramatische Entwicklung nimmt.Fr alle, die SM mgen,

aber keine unter-unter-unter-wrfigen Subs genau, die richtige Lektre.,

Kurzbeschreibung[Siren Classic: Erotic BDSM Romance, public exhibition, sex toys] Kennedy moved to Austin for a fresh start. She didn't bargain on being exposed to a whole new lifestyle when her friends take her to a BDSM club and she runs afoul of one of the house Doms. Kennedy's history should have precluded any interest in Graham, no matter how hot the man is, but he pursues her with utter determination until she submits. Occasionally. When Graham's last serious relationship shows up and claims he has a child, Kennedy realizes that she doesn't know the man she loves at all. Still, she supports him as only a woman who loves her man can, despite her heartbreak and sorrow, and her own wishes have never seemed so unobtainable. \*\* A Siren Erotic Romance
