Just what you need on a rainy weekendVon Aninal hate it when an ad does not give a gist of the book:Mira does not know she is a natural-born witch of the air-element.When she meets fire-witch Jack, who protects her from a group of dark warlocks, their mutual attraction flares...Good storyline and lots of sex.I loved it and like Amberkatze look forward to Witch Blood7 von 8 Kunden fanden die folgende Rezension hilfreich. A bit too sexy for me!Von AmberI nearly gave up on this book. The storyline started off great but then there was all this sex! I have nothing against sex but when it fills half of a book I get the impression that the author couldn't think of anything else to write.However the storyline was interesting enough to keep me reading to the end. I also did like the characters which made it easier to keep

reading. Although if you aren't the kind of person who likes erotic stories then this book would annoy you. I am looking forward to reading 'Witch Blood' the second in the series.

Kurzbeschreibung After a chaotic marriage and a rough divorce, all Mira Hoskins wants is stability and normality. But when sexy Jack McAllister enters her life, she discovers that what you want isn't always what you need. Jack is a powerful witch with the ability to command fire and is anything but normal. As the head of a security detail for The Coven, a national organization that governs national witches, Jack has been assigned to watch over Mira. She is a natural born witch with the ability to call the air. And although she is unaware of her talent, a group of renegade witches has discovered her existence and are determined to steal her power--and her life.
