Wilkins with a new job: being Queen of the Underworld. And if that wouldn't be stressful enough, there is a new threat for her kingdom in form of the evil Lurkers, not to mention her lovelife that continuously keeps her emotions spinning... This book comes in a different size than the first two books, which were self-published by the author. The paper quality may be not as good as with the previous books, but now the print is at least in grouped style. The story and the characters are still well written and enjoyable, although the author included many diary-entries by the main character, which some might find a bit strange, since it doesn't happen in the other books. All in all however it is a great and fun read for everyone who likes witches, warlocks, vampires and love triangles. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Klasse! Von Kristina Wolfinger Das ist der 3. Teil der Jolie Wilkins-Reihe. Jolie ist plötzlich Queen und muss viele wichtigen Entscheidungen treffen. Aber erstmal muss sie ihr Liebesleben ordnen. H.P. Mallory schreibt wieder einen tollen Roman mit viel Humor und gelungenen Charakteren. Ich kann es kaum erwarten, bis der 4. Teil rauskommt!!!

Kurzbeschreibung From H. P. Mallory the exciting author of Fire Burn and Cauldron Bubble comes her new paranormal romance featuring the sassy, self-deprecating witch Jolie Wilkins. Jolie thinks she's seen it all, but life continues to spring surprises. The latest shocker? She's just been crowned Queen of the Underworld. Jolie may possess a rare gift for reanimating the dead, but she doesn't know the first thing about governing disparate factions of supernatural creatures. She can barely maintain order in her own chaotic personal life, which is heading into a romantic tailspin. First there's sexy warlock Rand, the love of her life, from whom Jolie is hiding a devastating secret. Then there's Sinjin, a darkly seductive vampire and Jolie's sworn protector though others suspect he harbors ulterior motives. As the two polar opposite yet magnetic men vie for Jolie's affection, she must keep her wits about her to balance affairs of state and affairs of her heart. Overwhelmed, under pressure, and longing for love, Jolie decides it's time to take charge and show everyone that this queen won't take jack. From the Paperback edition. Kurzbeschreibung From H. P.
