the fact of their finding one another after a long separation and marrying the women they love. However, the two siblings feel that life would be perfect if they can only reunite with their third brother, who apparently was recently using the identity of Graham Denison. Desperate for help, the Thorne brothers turn to Boston clairvoyant Berkley Shaw, who touches an earring that Graham once possessed. Before fainting, Berkley claims that Graham is both dead and living in San Francisco. The Thorne siblings decide to fund Berkley's trip to California to find their lost brother. In San Francisco, Grey Janeway rescues Berkley from several thugs at the docks. Grey finds himself immediately attracted to her and hires Berkley to be his hostess at his gambling establishment. She believes he is the missing sibling. However, as she tries to uncover his identity, the duo falls in love with one another. However, a lasting relationship seems remote since they both have secrets and the Thorne brothers' quest embroils them in a dangerous situation. WITH ALL MY HEART, the third novel in Jo Goodman's "Thorne" series is like its two predecessors (see MY STEADFAST HEART and MY RECKLESS HEART) a warm, wonderful, and witty historical romance. The story line is filled with action and excitement that make mid-nineteenth century San Francisco seem so alive. The characters are brilliantly developed to include Berkley's special talent. The return of protagonists from the first two novels augments the tale. This trilogy is must reading by sub-genre fans. Colin and Decker Thorne hire Berkeley Shaw, who has the 2nd sight, to locate Graham Dennison who disappeared 5 years ago. He was the last known person in possession of a family heirloom that was given to Greydon Thorne when he was adopted as an infant. Berkeley heads to San Francisco and meets up with Grey Janeway, owner of the hotel and gambling hall, The Phoenix. Is he the missing Graham Dennison? Read the story and find out. I will be glomming Jo Goodman's back list, and eagerly awaiting her next story, that is out this Spring. 1 von 1 Kunden fanden die folgende Rezension hilfreich. Wonderful Conclusion! Von Ein Kunde Jo Goodman's grand finale to her Thorne brothers trilogy is satisfying in all regards. It's satisfying as a romance, as a mystery, and as a long-awaited reunion between all three brothers. Jo's characters are complex and rich, mature and intelligent. This is a thinking woman's romance, and if you're looking for a change of pace from the lighter, fun romances, give these books a try. Each heroine is a match for her hero, and I just love the intelligence of these books. Enjoy, enjoy!

Kurzbeschreibung Grey Janeway has lost his way. With no memory connecting him to his past, he is free to start over, and there is no better place to do that than San Francisco. In the city where rebuilding is a matter of course as well as pride, Grey looks to carve out a life that suits a man with no history. He knows there is a fortune to be made in this gold rush town, and he is betting everything on the success of his gaming hall and hotel to make it. Berkeley Shaw is gifted or cursed with the ability to see what others can't. When Colin and Decker Thorne learn of her peculiar talent, they are desperate enough to hire her to find their youngest brother. Persuaded to leave Boston by the man whose use for her is always a means to an end, Berkeley arrives in San Francisco and finds herself alone for the first time in years. When her path crosses Grey Janeway's, no second sight is required for her to recognize the end of one journey and the beginning of another. To help him, she must help herself, and the healing, she will learn, begins with her heart. REVIEWS: "A winner!
