**Von Linda Kage : With Every Heartbeat (Forbidden Men Book 4) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised With Every Heartbeat (Forbidden Men Book 4) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. My favourite!Von Sabine S.-K.I absolutely loved this book. Advisable for the ones which are liking even the softer tones, for the careful watchers, the thinkers, and the ones, which understand them. For that Quinn and Zoey are my favourite

couple of the whole "Forbidden Men" series, to which I got more addicted with every book. Their story was the most breathtaking, heartbreaking for me, and that the moral dilemma led, after an horrible experience for Zoey, to a good end, filled me with joy. And I have to confess, that even Ten won me completely in this story. Linda Kage always creates great characters, and wakes the curiosity for the others with each book. The nice thing is, that it is not necessary to read them in line from one to eight. I once started per coincidence with the last book "Priceless", and I absolutely wanted to know the story of the other couples, also. And that's how I became an "Forbidden Men"-addicted. 0 von 1 Kunden fanden die folgende Rezension hilfreich. It was okay, but so many things were not right... Von DanielaI just finished this book last night and I found that this one does not match up the other books in the forbidden men series. Both main characters Zoey and Quinn were immature and clueless to the point that I stopped caring about them about halfway through the book. I made myself finish it because I wanted to read about the other characters from the previous books and about Caroline and Ten. So many things were not remotely realistic here, like how Cora managed to keep so many things from Quinn, like how Quinn was willing to propose to his girlfriend for no comprehensible reason and .....don't even get me started about Zoey! She was supposed to come over like an extremely good person, but to me she just seemed downright stupid. Nothing more. Apart from that, I found it irritating to what extent f-bombs and other dirty words were dropped throughout the book. That was not necessary and made me unsure about whether I will continue with this series at all.

Kurzbeschreibung\*New Adult Romance\*\*\*Explicit Scenes and Language\*\*I used to think everything was black and white, truth or lie, easy or hard, that if I could just escape my strict, overbearing, abusive father, my life would be perfect. But since Ive found a reason to risk his wrath and leave, to help a friend in need, Ive come to realize everything I thought I knew is wrong. Friends have their own agenda, honesty comes with a dosage of lie, easy doesnt even exist, keeping secrets sucks, and love...love is the most painful thing of all. Maybe if Quinn Hamilton hadnt asked me to skip classes for the day and help him pick out an engagement ring for my best friend, I wouldnt have fallen for him so completely on that sunny Tuesday afternoon and I wouldnt feel so conflicted. But I did, and I cant take it back, no matter how hard I try. So I have to deal with the fact that even Im not as good, or honest, or caring as Id always thought I was, and no matter what I do next, someones going to get hurt. Probably me.-Zoey
