finished:(I think it was the best 2012 read and I am giving 10 out of 5 stars.At the beginning I though that family Joyce is a little too extreme for my liking, but it was just at the beginning and I almost imediately forgot about my doubts. There were no doubts more. I loved absolutely everything about this book, maybe exept chloe, and even the ending didn't change my feeling to her. Too selfish and too self - obsessed for my liking. But nevertheless, I have laughed out loud and I have cried (really!!!) reading this book. So many emotions, so many warm emotions and feelings, I don't remember such a book for a long time. Reading about Juliet and Rick I must thought about my parents, about this how they are struggling with their lives and how they will do anything for their children to be happy. Juliet and Rick are the same, and maybe this is the secret of this book: that it's so downt to earth, so normal, about people like we are, who have their problems and they must solve them, as they do not solve themselves, like for eg. for Becky in the "Shopaholic". Juliet and Rick, so normal and so unusual at the same time, putting themselves at the very end and trying to help other, strange poeple, sometimes forgetting about their other half. Loving each other and loving their family and friends, amazing. I just can't find enough words to say how much I loved this book, and really, I had my own family before my eyes, maybe not so extreme when it comes to choosing a life partner, but almost likewise chaotic. And my mother, like Juliet, trying to give her best.One thing: there is not a name like "Merak" in Poland. It is "Marek" :) The only minus point, as it distracted me every time.Made me to want Christmas to be yet nicer than usual.And made me to wait for the next Carole's book.0 von 0 Kunden fanden die folgende Rezension hilfreich. Zeit- und GeldverschwendungVon kanne7Da das Buch ein Geschenk war, habe ich mich aus reiner Hflichkeit durchgequelt. Titel und Einband-Gestaltung alleine wren bereits Grund genug gewesen, das Buch im Geschft umgehend zurckzustellen.Der Inhalt hat dann auch alle Befrchtungen besttigt - seichte Geschichte, miserabel geschrieben, hoch unsympathische Figuren. Hier sollen vermutlich moralische Werte vermittelt werden, womit die Autorin klglich scheitert. Der Zauber der Weihnacht wird hier in eine trge und vorhersehbare Handlung verpackt, die kaum zu ertragen ist.Jemandem wie der Erzherin - Juliet - mchte man mit ihrer kaum auszuhaltenden Gutmensch-Attitde im echten Leben wohl niemals begegnen.1 von 1 Kunden fanden die folgende Rezension hilfreich. sehr stimmungsvolles Weihnachtsbuch!!Von Cornelia SchatzBestes Weihnachtsbuch der letzten Jahre!
