Von Jess Mountifield : With Proud Humility (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised With Proud Humility (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. With Proud Humility by Jess Mountifield is a 5 Star BookVon Patrick D."With Proud Humility" by Jess Mountifield revives swashbuckling adventure stories.This is a good story told very well. Author Mountifield sets a new standard on adventure stories and crafts characters like they are people we know. This is a nonstop high seas adventure with a

powerful female leading character. This book achieves a level of quality that earn a 5 star rating. Buy this book and get ready for a tale with pirates, lost maps, a hidden treasure horde, danger and intrigue. This is one of the books you won't want to put down. This would be one author to follow for future books as well.

Kurzbeschreibung Marie's mother died protecting something, but what? Determined to find answers, Marie is prepared to go to any length to locate her mothers legacy, even to pursue the man responsible for her death - Black Vane. No price is too dear to Marie, who gambles everything on a marriage of convenience to a ship's captain she knows she cant trust, but who may be one ally she needs. This is a historic story of romance and adventure, set on the Caribbean seas of the early 1800's, a tale of betrayal and sacrifice in pursuit of an unknown goal. This is a clean novel of approx 85,000 words long. Kurzbeschreibung Marie's mother died protecting something, but what? This is a historic story of romance and adventure, set on the Caribbean seas of the early 1800's, a tale of betrayal and sacrifice in pursuit of an unknown goal. This is a clean novel of approx 85,000 words long. ber den Autor und weitere Mitwirkende Jess was born in the quaint village of Woodbridge, has spent some of her childhood in the States and now resides in the beautiful Roman city of Bath. She lives with her husband Phil and her very dapsy cat, Pleaides. Jess can often be found either in a cafe, grinning behind a large mug of hot chocolate, at her desk, getting annoyed with her cat for sitting on her keyboard, or on her comfy corner sofa with friends, enjoying her high definition tv and surround sound system.
