KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Awesome awesome awesomeVon Anne B.And he did it again. Again James Cox got me instantly with the first few words and pages of the 4th book in this amazing series, so I couldn't let go of it till I finished reading it.This time we

get to know more about Romeo of Outlaw MC, Mr Flirt himself. Always in for some nude fun and kinky sex. "The more the merrier." like he says himself. After getting in Trouble the only solution to Keep Romeo alive and Kind of save is to go underground. Meeting Justice, the big bear-like leader of the Underground MC, Romeo is head over heels. Within all this chaos the MC's plan a big strike against the government and bomb out the Peacekeeper buildings. But nothing goes as planned...The tension between Justice and Romeo is incredible and intriguing. Just that one first kiss makes your toes curl and yourself beg for more. Will they find their HEA in this now more dangerous world? Well, I won't tell...But I can tell, James got this series to a new peak of adventure, hope and Shows there is always a Little tiny light of hope left. I so can't wait to read the next installment to get to know what comes next.
