KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Bram Stoker would be proudVon Ian StraIf you like vampire stories this novel is a must! There are elements from Bram

Stokers Dracula and the story is exciting up to the very end.I would definitely recommend it!

KurzbeschreibungNineteenth century Paris. A spate of gruesome murders has everyone gripped with fear as the killer continues to terrorise the city. There are rumours that a murderous 'beast' is stalking the streets of Paris at night....A mysterious nobleman and his sister enter the lives of the Perrodon family and their friends. The unwary Parisians are about to encounter the terrifying reality of a darker world that will tear their young lives apart.One man already knows the identity and true nature of the 'beast'. He is also aware of an ancient vendetta against members of the Perrodon family. Only his knowledge and experience stands between them and their mutual nemesis.
