Kathy is a writer who literally, physically co exists with the paranormal character she writing about. They dictate their story to her and it's not unusual to find several at a time since she has several stories going at one time. Once the story is told, that character returns to their own world. She just hasn't been able to get the sexy half wolf to tell his own story so he's been around for years and in fact has become Sheriff. She's so drawn to Ronon but he acts like he hates her most of the time. What Kathy doesn't know is that Ronon loves her and is there to protect her. And in fact they are mates. She is a

Weaver, that is, what ever she writes comes true in some other world. Ronons world tried to wipe out the Weavers but some survived and escaped to other worlds, and Kathy is a descendant of one such Weaver. They are still being hunted and this story is about what happens when an assassin finds Kathy, almost kills her. She is betryed and along with Ronon are taken back to his world where she will stand trial. She's allowed to see Ronon on her way and finds him beaten and dying. Things are looking pretty bleak as she is taken from his cell. But then she is rescued, and Ronon is brought also to a safe place, but alas, Ronon dies from his injuries.Kathy is back in her world now, her characters don't know what to do for her, she's not the same without Ronon. What's to become of the Weavers?You have to read this to find out, I promise you won't be disappointed with the stunning conclusion of this first installment.

KurzbeschreibungKathy Granite is not your ordinary writer. She's a Weaver - a spinner of great tales and has the ability to write or rewrite the history of a world. Only one problem, she doesn't know it. She's spent the last six years telling the stories of people dragged to Earth from a variety of places by her Layren Protector, Ronon Wulfdrak.Ronon has spent that same time keeping Kathy in the dark and only brought her people who simply want their story told. He's carefully chosen who would appear and even though she's become quite the sensation in our world, she's clueless as to her effect on any others. Ronon aims to keep it that way and hopes she's safely hidden from his own people. For, if anyone finds out what she really is, they will tear her apart to get at her power.KurzbeschreibungKathy Granite is not your ordinary writer.
