ich fand es sehr spannend, kurzweilig und unterhaltsam. Naomi Parker, 27, war als Lehrerin für eine Horde halbwüchsiger Mädchen verantwortlich. Ihre Schule wird berfallen und die Mädchen entführt. Keiner will ihr helfen, ihre Schützlinge wiederzufinden, sogar der Sheriff kneift. Dann trifft sie auf den Halbindianer Charlie Wolf, 29. Als erfahrener Bountyhunter wäre Charlie in der Lage dazu, die Mädchen aus den Klauen der Menschenhändler zu befreien, aber alles hat seinen Preis. Sein Preis wäre, dass Naomi eine leidenschaftliche Nacht mit ihm verbringt. Um ihre Mädchen zu retten, nimmt Naomi ihren ganzen Mut zusammen und willigt ein. Da sie in ihrem Leben bisher auf sich alleine gestellt war, ist Charlie ihr erster Mann. So beginnen beide im Stall in dem großen Waschtrog, zwischen Heu und Pferden, eine leidenschaftliche Affäre. Am nächsten Morgen besteht Naomi darauf, ihn bei der Befreiung zu begleiten, denn zwei Leute können mehr ausrichten als einer. Immer wieder stellt Naomi ihren Mumm unter Beweis, hilft Charlie und rettet ihm sogar das Leben. Zwischendurch gibt es wilde Schießereien zu bestehen. Auf ihrer mehrwöchigen, abenteuerlichen Reise kommen sie sich immer näher. Beide bekommen ihr schnelles und wohlverdientes Happy End und heiraten.

Kurzbeschreibung When one straight-laced spinster tenders her body to one cynical sometimes savage, the unexpected bounty is love. Miss Naomi Parker, department instructor at the Sparrow Creek Young Ladies Academy, can't forgive herself for hiding during an outlaw attack. When the local sheriff refuses to pursue the gang of renegades who kidnapped her students, she decides to rescue the girls herself. But, she needs the help of the best tracker in the territory-half-Kiowa bounty hunter, Charlie Wolf McCallister. Before he goes out on another bounty hunt, Charlie wants a long soak in a hot bath, a bottle of whiskey, and the pleasure of a woman's company. He has two out of three when a school marm with cornflower-blue eyes invades his privacy. When Charlie makes it clear that he only works for pay, Miss Parker offers him one night of sexual favors in exchange for his tracking services. Though he knows bedding a white woman will cause all kinds of trouble, he operates on the philosophy that a bird in hand is better than no bird at all. After they've sealed their bargain, Charlie tries to leave Naomi safely behind. But the opinionated teacher insists on accompanying him. She's impatient with his decisions, questions his authority, and generally ignores his warnings. But each time they make love, Naomi captures another piece of Charlie Wolf's heart. Also includes Destiny's Dream.
