**Von KC Blau : Women and Wild Savages: The Vienna Muses - Lina Loos (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Women and Wild Savages: The Vienna Muses - Lina Loos (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful and tragic story about men, women, love, life, and Vienna - based on true eventsVon ViennaMusingsWhat a

great and tragic story life had to offer for Lina and Adolf Loos. And what a great and captivating (and quite racy) story KC Blau makes out of these true events. Not much has changed since more than 100 years ago - men still try to dominate women, women still manipulate men, and in Vienna the coffeehouses are all still around. This book captures it all and it makes me want to go back to Vienna. A wonderful story about men, women, love, life, and one of the most beautiful and romantic cities in the world. Highly recommended! 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great read! Von Monique Ischi A perfect book for a long weekend read or for your book club list. Very well-written, it was a pleasure to read each page. K.C Blau describes Vienna perfectly; its uniqueness, dark sides and secrets that were true in the early 1900's as today. The characters came alive and the questions Lina Loos struggled with are still issues men and women struggle with in today's times. I can highly recommend this book! Enjoy!

Kurzbeschreibung At 18, Lina is an aspiring actress and the stunning daughter of Viennese coffeehouse owners. When the imperial capital's most sought-after bachelor, Adolf Loos, unexpectedly proposes, she eagerly agrees. But the honeymoon is short-lived. Her modern husband might be friends with women activists but his publically progressive views do not extend to his young wife. Thank goodness for the sympathetic ear of Café Central's beloved, old poet, Peter Altenberg. But when Adolf Loos unwittingly pushes Lina into the arms of his activist friend's handsome son, Lina becomes entangled in a web of desire, jealousy and intrigue. No man's love is unconditional. As the three friends rival to mold her into the perfect wife, muse and lover, Lina strives to recall the woman she once imagined herself to be. Fact and fiction weave together with history and romance in this tragic yet inspiring tale of Lina Loos' struggle for love, liberation and self-fulfillment during her years of marriage to the renowned architect, Adolf Loos. Set in the early 1900s in fin-de-siècle Vienna, *Women and Wild Savages* tells the timeless story of a person's journey to recognize and be herself in a world determined to make her into someone else.
