Von Hugh Howey : Wool Omnibus Edition [Kindle in Motion] (Silo series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wool Omnibus Edition [Kindle in Motion] (Silo series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein

Gustostück! Von Bernhard Der Roman packt einen von den ersten Seiten an und verliert keine Zeit, zur Sache zu kommen! Kurzweilig, emotional packend, Thrill, postapokalyptisch... Vom feeling her erinnert das Ganze etwas an Metro 2033 mit seiner bedrückenden Stimmung. Noch dazu bekommt man mit der Kindle Omnibus Edition alle 5 Episoden des ersten Teils der Saga zu einem sensationell günstigen Preis! Also eigentlich ein No-Brainer :-D 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent post-apocalyptic sci-fi Von Kindle Customer It's about a city underground, sealed, hermetic. They've been there for centuries, but for how many? They are told there is nothing but death on the surface, but is it? Are the lies and manipulation a cynical power ploy, or a harsh necessity? With every revelation, you may change your mind on that... it's a great read. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannende Erzählung (zu unschlagbarem Preis) Von Barry Obama Spannend und gut erzählte Geschichte, die einzig bei den Hintergründen noch etwas vage bleibt, was sich aber in den Nachfolgern hoffentlich aufkären wird. Interessant waren auch die Anspielungen auf Shakespeare, die vor allem zum großen Finale doch immer deutlicher wurden. Auf jeden Fall zu empfehlen für alle Science-Fiction-Fans.

Kurzbeschreibung This is the story of mankind clawing for survival, of mankind on the edge. The world outside has grown unkind, the view of it limited, talk of it forbidden. But there are always those who hope, who dream. These are the dangerous people, the residents who infect others with their optimism. Their punishment is simple. They are allowed to go outside.*** What the press is saying: ***Boing Boing's Official : "This story is terrific. I was completely immersed, watching Howey slowly paint a picture of a society gone wrong through the eyes and discovery of some truly compelling characters." Wired.com's Official GeekDad : "Howey is among a growing list of authors who are making successful careers of publishing without the assistance of agents and traditional publishing houses. The traditional argument has been that if a book couldn't find a publisher it probably wasn't worth reading. However, just as iTunes changed how consumers found music and the way in which bands made their bread, ebook readers, and in particular the Kindle, are changing the ways in which authors find their readers and make a living. All of this means the old assumptions about indie books no longer hold true, and readers need to be prepared to adjust their expectations accordingly. The Wool Omnibus is a great book and deserves recognition as a full fledged contribution to the science fiction genre." WOOL went from a self-published short story to a blockbuster New York Times bestseller in 2012 (New York Times, October 2012). The work has been translated into over 40 languages, and was picked up by Ridley Scott and 20th Century Fox for a feature film adaptation. Note from the author: This Omnibus Edition collects the five Wool books into a single volume. It is for those who arrived late to the party and who wish to save a dollar or two while picking up the same stories in a single package. The first Wool story was released as a standalone short in July of 2011. Due to reviewer demand, the rest of the story was released over the next six months. My thanks go out to those reviewers who clamored for more. Without you, none of this would exist. Your demand created this as much as I did. Pressestimmen "Exhilarating, intense, addictive." --S.J. Watson In "Wool", Hugh Howey delivers the key elements of great science fiction: an authentic and detailed future world; realistic, relatable characters to live in it; and taut, thoughtful stories that spring naturally from the plight of the people struggling to get by in the grim world of the Silos. Howey's supple, muscular writing is the icing on the cake - and the reason why "Wool" has become a huge international blockbuster. --Jonathan Hayes, author of A HARD DEATH "If you're looking for a good post-apocalyptic read, you can't do much better than "Wool". --Rick Riordan "In "Wool", Hugh Howey delivers the key elements of great science fiction: an authentic and detailed future-world; realistic, relatable characters to live in it; and a taut, thoughtful story. Howey's supple, muscular writing is the icing on the cake." --Jonathan Hayes, author of A HARD DEATH "Howey's WOOL is an epic feat of imagination. You will live in this world." --Justin Cronin, bestselling author of THE PASSAGE "Secrets unfold with just the right pacing... If you're looking for a good post-apocalyptic read, you can't do much better than WOOL." --Rick Riordan, bestselling author of the Percy Jackson the Olympians series "With WOOL Hugh Howey has created a new science fiction classic." --Ernest Cline, bestselling author of READY PLAYER ONE "Exhilarating, intense, addictive." --S.J. Watson, bestselling author of BEFORE I GO TO SLEEP "In WOOL, Hugh Howey delivers the key elements of great science fiction: an authentic and detailed future-world; realistic, relatable characters to live in it; and a taut, thoughtful story. Howey's supple, muscular writing is the icing on the cake." --Jonathan Hayes, author of A HARD DEATH "WOOL is incredible. This is the best science fiction series I've read in years. Not since "A Canticle for Leibowitz" have I been so utterly and completely enthralled." --Douglas Preston, #1 bestselling author of "Blasphemy" and "The Monster of Florence" Werbetext An epic story of survival at all odds and one of the most anticipated books of the year.
