them in order. As the final book is out I decided to lose myself in this series and I'm so glad I did. This is Riley, Connor and Isaacs story. If your looking for a read with plenty of M/M/F scenes then I certainly recommend this series. I really liked the twists and turns as they certainly kept me reading. In fact I read this in one day as I needed to see how the story went. I would have liked to see more character development and I felt there was some stuff that just didn't need to be told. However this is the authors debut novel and I'm looking forward to jumping into the next book. Loved the epilogue !0 von 0 Kunden fanden die folgende Rezension hilfreich. toller debut roman Von Wuukieich hatte die ehre dieses buch als arc zu lesen und war begeistert. es erzht nicht nur eine leidenschaftliche liebesgeschichte in einer ungewohnten dreierkonstellation, sondern auch die drei spannenden vergangenheiten der charakte die in eine unsichere zukunft blicken. das buch ist flssig geschrieben, die spannung bleibt aufrecht und die beziehung der drei wird ohne grosse gefhlsduseleien beschrieben. ein absolut empfehlenswertes buch, auf den zweiten teil bin ich schon sehr gespannt und er wird nicht lange auf sich warten lassen!!0 von 0 Kunden fanden die folgende Rezension hilfreich. Written in a hurry? Von cgI didn't enjoy reading this book, so that I actually gave up midway through. Shallow characters, uninspired storyline, rounded up by poor grammar and typos. Written in a hurry, words missing.

Kurzbeschreibung Running a business and trying to keep the past in the past isn't so easy. Riley Blake thinks she has it all: a nice house, a great friend, and her own bakery. Her world turns upside down when an incident with a hot stranger happens right outside the local coffee shop. Riley is instantly attracted to the dark and mysterious man. Fate steps in yet again, and Riley finds herself with the dark and mysterious man again at a local bar. His name is Isaac. Isaac has his own business with his partner, Conner. Riley doesn't think too much of the two having more than a brother type friendship. When Riley becomes attracted to Conner, she is torn over what she should do. Isaac, however, lets Riley know he is willing to share. Shocked and utterly confused, Riley does as she is told and begins a relationship with not one, but two men. Everything was great until Isaac and Conner's past comes back to haunt them and Riley ends up in the middle. Just when she thinks it cant get any worse, Rileys ex comes back into the picture and she is thrown back into her past. Can love really conquer all? Or will this be just another sad love story?
