**Von Beverly Barton : Worth Dying For (Protectors)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Worth Dying For (Protectors):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. not her best oneVon JessymomI already read a lot of Beverly Barton's book and I really do like them. This one is written as good as the other ones, but the storyline is lacking. I would say each reader, who is well read in this genre knows after reading the first third what is going on. You may need more time to figure out who the bad guy is, but knowing the rest of the storyline lessens the fun incredibly.In my opinion Beverly Barton can really do better and create much more excitement.

Kurzbeschreibung Security agent Dante Moran can't afford the luxury of love in his line of work, emotions can get you killed. Besides, he's never recovered from the pain of losing his high school sweetheart to a serial rapist and killer. As far as Dante is concerned, his heart died the day her body was discovered. But when he's hired to find Tessa Westbrook's missing daughter, Dante is shocked to feel his long-buried emotions rise to the surface. Tessa stirs something in him that he hasn't felt since he was a kid something that makes him think she could become more than a client. But Tessa's past is full of secrets, and with a killer still on the loose, Dante must decide if she's worth dying for.
