Wonderful Christmas StoryVon TMEotionally intense and heartwarming at the same time this is a frequent reread for me come Christmas time.5 years ago Jack walked away from Ryan, knowing he was doing the right thing, knowing Ryan needed the distance and lack of contact to focus on university and be brilliant. They agreed to meet

again at Christmas 5 years later - today. Jack is sure that everything will have worked according to his plan and that Ryan won't show up at all, but he hopes that he will so he can have some kind of closure. He will never be able to move on from the love of his life, the past years has shown that but he hopes to see Ryan one last time. If he shows up....Very short but perfectly written and paced as it is.

Kurzbeschreibung Jackson Bennett and Ryan Hennigan met and fell in love while Ryan worked on Jack's family's Christmas tree farm. Back then, Jack broke his own heart by convincing Ryan to leave and pursue his future. Ryan went, but only after they made a pact to reunite after Ryan graduated from college. Now, five years later, its time, but Jack is convinced Ryan won't show and when he does, Jack is certain Ryan can't possibly want to stay. Ryan, however, has no intention of being anywhere other than in Jack's arms. But he faces a hurdle he never expected: proving to Jack they can have each other without having to sacrifice their dreams. A story from the Dreamspinner Press 2013 Advent Calendar package "Heartwarming".
