Von Lia Black : Worthy (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Worthy (English Edition):

Everything I hoped forVon Stephanie MntzMy, how often I clutched my pearls, worrying that the Count might turn out to be one of those shallow "dom-type overlords"! But each and every time I gasped, it turned around beautifully. I am so in love with this story, it's so good! Even Seven, in all his waifish elegance, is just perfect. Five stars, and more

There was no sense of "suspense" and everything simply happened. Some might enjoy this but I would not describe it as a "must read".0 von 0 Kunden fanden die folgende Rezension hilfreich. Pleasant, Smutty Cinderella storyVon KundeI liked it, all in all, even when I felt the ending a bit sudden and over too fast. I wished there were more story, because the world was very interesting as were the side characters, but in the end the book focuses very strongly on the bedroom scenes. Not that that is bad - if you like a smutty story then this will not disappoint! The scenes are detailed, long, plentiful and satisfying. I enjoy pleasure slave themes and it was very well done here, and the contrast of the rich, dominant master and the naturally submissive slave was overall very good and sexy. So yeah, this will be mostly smut, but the smut is good. Like I said I would like it even more if there was more story in between though, some more development, maybe a slower change in feelings from pure master and slave to mutual love... more information about side characters and a more drawn out ending, with some more drama or so. Anyways, I did enjoy it and would recommend it to absolutely everyone who enjoys m/m romance, smut and pleasure slave stories!

KurzbeschreibungA naughty Cinderella story about a young man who is less than a slave, and the Master who helps change him into something more. In a society ruled by the Aristocracy, Sevs biggest dream is to become a slavesomeone protected from a harsh existence in the ghetto, and cherished under his Masters thumb. But being a slave is too high a calling for one as low as Sev. He is marked by both circumstance and features that are less than perfect. Demetrie, a bored and rebellious Aristocrat, wins the talented young acrobat through a game of cards and decides to take him home. Caught between Demetries anger and his lust, Sev endures both punishment and pleasure for his Masters approval, and soon he desires his love. But Demetrie is a Noble, tasked with carrying on his bloodline, and maintaining the rigid caste system he has grown to despise. What begins as Demetries most outrageous self-indulgence quickly evolves into something he never could have expected. Content warning: This story contains explicit content of a sexual nature between men and is intended for adult readers. Contains M/s, (one instance of) m/m/m, and mild BDSM.
