Kurzbeschreibung To celebrate his decision to take the next step with his boyfriend Ian, Toshi Baylor plans a romantic evening at their favorite steak house. Toshi starts the special weekend with a bang by surprising Ian at home with lunch. There's a bang all right, but it's between Ian and another guy. Jase Taylor's auto repair shop and the BDSM club, Wrapped Up, keep him busy while he waits for Mr. Right, instead of Mr. Right Now. He's a Dom, but playing with the club's submissives isn't providing the usual stress release. After a day from hell, he deserves a good meal at his favorite steak house. Toshi and Jase find a mix-up with their reservations: a table for Baylor, not Taylor. When Toshi invites Jase to dine with him, they discover a mutual affection for leather and a shared belief that trust must be earned. Before they can explore their common interests, Toshi suffers a series of attacks by vandals. Jase's protective instincts kick in, but both wonder if it can lead to anything permanent.
