Eines ihrer schwcheren BcherVon CustomerDas Cover ist wunderschn und die Tatsache, dass dieses Buch von Jessica Sorensen geschrieben wurde hat mich natrlich dazu verleitet dieses Buch zu lesen. Leider bin ich nicht so begeistert

von diesem Buch gewesen, es war einfach so... ereignislos. Ich mochte Avery irgendwie nicht wirklich. Sie ist eine starke Person aber sie sticht für mich nicht wirklich heraus. Ihre Persönlichkeit ist so blass und sie wirkt einfach stereotypisch und hat einfach nichts, was sie wirklich auszeichnet. Was mir aber gefallen hat, waren ihre Tattoos und Piercings. Das hat nicht wirklich jede Protagonistin aber ich hätte mir auch gewünscht, dass vllt etwas mehr darauf eingegangen wäre. Außerdem fand ich es sehr schade, dass es kaum Interaktionen mit ihrem Sohn gab, Das fand ich etwas traurig. Tristan versucht seinen Lebensstil zu ändern und zu verbessern, was er auch ganz gut hinkriegt. Ich mochte ihn, denn er ist manchmal etwas schchtern und kein wirklicher Bad Boy, was mir gut gefallen hat. Die Romanze mit ihm und Avery hat mir ganz gut gefallen, aber mir hat einfach das bestimmte Etwas gefehlt. Ich finde auch, dass die Dialoge etwas gezwungen wirkten. Die Story an sich hat auch nicht wirklich etwas neues geboten und war recht vorhersehbar. "Wreck Me" ist kein schlechtes Buch, aber im Vergleich zu anderen ist es einfach etwas schwächer und verlässt sich zu sehr auf Stereotypen.

Kurzbeschreibung**Wreck Me is a full-length, stand-alone new adult contemporary novel.**Id heard stories of near death experiences, although the tales never seemed to be the same.Me, I saw many things.My son.Myself. My sins.The stars.And I also felt.The feeling wasn't about me, but about another, as if someone was calling out to me, begging me to come back. That they needed my help.Then the stars burned out.And I thought I had died.But I was wrong.When Avery Hensley met Conner Wellings, she thought she'd found the guy she was going to spend the rest of her life with. She got married young and had the most beautiful son in the world. Life seemed perfect. But not everything is what it seems. Turned out Conner had another side to him, a darker side that Avery didn't see coming. He wrecked and broke her into a thousand pieces, leaving Avery to put herself back together. From then on, Avery vows never to let a man into her life again. But then she meets Tristan Morganson. He's sweet and sexy and wrecks Avery in a different way than Conner did, the kind of way that makes her feel alive again, the kind of way that makes her think maybe not all guys are bad. But can Avery trust him enough to let her walls come crumbling down?Kurzbeschreibung**Wreck Me is a full-length, stand-alone new adult contemporary novel.**Id heard stories of near death experiences, although the tales never seemed to be the same.Me, I saw many things.My son.Myself.
