Von Marcus Sakey : Written in Fire (The Brilliance Trilogy Book 3) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Written in Fire (The Brilliance Trilogy Book 3) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Brilliante StoryVon CustomerToll geschriebene Geschichte und spannendes Finale der Trilogie. Wir verbringen weitere Zeit mit bekannten Charakteren. Knnen auf mehreren Seiten dem groen Finale entgegen fiebern.Wer die ersten beiden Teile gelesen hat, sollte sich den dritten auf keinen Fall entgehen lassen.0 von 0 Kunden fanden die folgende

Rezension hilfreich. Not as good as the previous books in the series Von Kachina Kat Was a bit disappointing compared to the other books in this series. Plot and story fizzled out a bit but one did want to finish it to find out how it ended 0 von 0 Kunden fanden die folgende Rezension hilfreich. Erschreckend glaubwürdige Zukunftsvision. Von Kris Wer sich Gedanken macht über Intoleranz und Manipulation der Massen findet hier eine sehr glaubwürdige und erschreckende Geschichte. Sehr gut lesbar!

Kurzbeschreibung For thirty years humanity struggled to cope with the brilliants, the one percent of people born with remarkable gifts. For thirty years we tried to avoid a devastating civil war. We failed. The White House is a smoking ruin. Madison Square Garden is an internment camp. In Wyoming, an armed militia of thousands marches toward a final, apocalyptic battle. Nick Cooper has spent his life fighting for his children and his country. Now, as the world staggers on the edge of ruin, he must risk everything he loves to face his oldest enemy a brilliant terrorist so driven by his ideals that he will sacrifice humanity's future to achieve them. From one of our best storytellers (Michael Connelly) comes the blistering conclusion to the acclaimed series that is a forget-to-pick-up-milk, forget-to-water-the-plants, forget-to-eat total immersion experience (Gillian Flynn). The explosive conclusion to the bestselling Brilliance Trilogy. The kind of story you've never read before. Lee Child, New York Times bestselling author of the Jack Reacher Series Ridiculously good. I love this story so much. Gillian Flynn, New York Times bestselling author of Gone Girl Sakey brings his cinematic series to a ferocious close. Kirkus Pressestimmen Beginning with Brilliance and A Better World, and culminating in the pitch-perfect trilogy-finisher, Written in Fire, Marcus Sakey has created an astonishing achievement a portrait of our world five minutes into the future. It's a world exploding with technology and innovation, but imploding with the same fear and paranoia that threatens to destroy our world: fear of those who are different. What message could be more profound? These books are all thriller, with a perfect dusting of science fiction and social commentary, all underpinned with Sakey's trademark gorgeous prose. For my money, this trilogy is one of the great works of commercial fiction ever put to page. Epic, compulsively readable, and thought-provoking to the very last sentence. Blake Crouch, bestselling author of the Wayward Pines Series The searing conclusion to Sakey's Brilliance trilogy... raises important questions about such matters as patriotism, self-sacrifice, conflicting loyalties, and parental devotion. Publishers Weekly, Starred Sakey brings his cinematic series to a ferocious close, capping off a three-book experiment in futuristic violence, societal catastrophe, and hyperkinetic storytelling A bombastic final entry that combines larger-than-life futurism with convincing ultraviolence to deliver a satisfying, open-ended finale. Kirkus s Sakey can flat-out write. Don Winslow Praise for Marcus Sakey's The Brilliance Trilogy At once mystery, thriller, family saga, and romance... The plot takes many unpredictable twists, the characters are multidimensional, the world quite believable and the social/political commentary pointed and often chilling. Chicago Tribune A decidedly adult, disturbingly feasible spin to the dystopian future trend overtaking literature. Chicago Sun-Times An astoundingly good writer. San Jose Mercury News It's depth and intelligence and passion and emotion that sets Sakey apart. Lee Child A tightly plotted thriller with classic questions beating in its geeky heart. NPR An .com Best Books of the Month: Science Fiction Fantasy Pick Sakey paints a near future too close for comfort. Publishers Weekly Utterly compelling. Booklist, Starred Brilliant. Chicago Sun-Times Kurzbeschreibung For thirty years humanity struggled to cope with the brilliants, the one percent of people born with remarkable gifts.
