Kurzbeschreibung\*This is a new adult romance not meant for those under 18. It contains sex, drugs, and under age drinking.The first time I ever saw Caden Harper Im pretty sure I fell in love. All that golden hair and pale blue eyes. He was mysterious and covered in paint. I found it endearing and wanted nothing more than to find out all his secrets. I gave that man things I would never give anyone else. He blew it though. Which I shouldnt be surprised considering he is a womanizer.So I moved on, well kind of. Jaden Harper wasnt what I expected. I found myself drawn to him almost as much as his brother. Maybe its the fact they are twins or maybe it was the fact I wanted to live on the wrong side for once in my life.Now Ive found myself dug deep in this game. There's no end in sight and I wonder when all the lies I have told will come back to haunt me. Neither man should know the things Ive gone through. Neither should trust me. Im not who I say I am. My past is full of things I wont ever share.But where will that lead me when Caden wants nothing more than to consume me? He wont wake up to see he has the wrong kind of love.My Name is Grace Breadfield and this is my story.\*While this title is a part of the Young Love series, it can be read as a standalone. There is a HEA and no cliffhanger.Kurzbeschreibung\*This is a new adult romance not meant for those under 18.
