Von Taylor Law : Wrong Turn (The Shenandoah Pack series Book 1) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Wrong Turn (The Shenandoah Pack series Book 1) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Just another werewolf romance ...Von Querleser... you better skip. Xander finds his mate in Ro (Jessie), not only a human

but also having amnesia after an accident. While recovering Ro stays with Xander - waiting for the police to get informations about himself. The mate pull is not easy to ignore and they instantly fall in love. It is a light shifter romance with shallow characters, no real storyline, no dialogues or talking therefore lots of misunderstandings and the typical chick with a dick MC, where it is not easy to like the characters or understand their actions/reactions. There are better stories, so I wouldn't recommend this one. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Beautiful read!!!! Von BookwormDI loved this beautifully written story and was sad when it was over way too quick. To me this story has got everything a story needs. I can't wait for more. 5 Stars!!!!

Kurzbeschreibung After a long, hard year filled with stress and heartache, Jessie Rohen decides to take a vacation to visit his friend and get away from real life for a little while, hoping it will help him heal. On the way, he has an accident and is injured. He wakes up with no memories of his past, not even of his name. Xander Dane is a wolf shifter and Second of his pack. He saves Jessies life, only to realize Jess is his mate. Xander has been in the closet his whole life. Coming out may be harder than ever because not only does he have to tell everyone hes gay and risk exile, but he has to tell his mate hes part wolf. Since Jessie cant remember who he is, Xander has to take a chance on a man who may have a life waiting for him somewhere else a life that doesnt include Xander. This is the extended rerelease of a short story by the same title. The story has been lengthened to over three times the original size for this publication.
