Kurzbeschreibung Not much had changed in the twelve years since Wyatt Malone left Roundup, Montana. Except for Paige St. John, his once-loyal childhood friend. As teenagers, they had planned to leave their small town behind together. But a falling-out with his father drove him from Roundup and Paige and she has not forgiven Wyatt for striking out on his own. Now Wyatt is back, hoping to reconcile with his family and with Paige. She's turned into the kind of woman he's always wanted. But she's been burned by handsome cowboys before, including the one that left her to raise her son alone. Can Wyatt convince Paige, and the rest of Roundup, that he's a man she can count on? Harts of the Rodeo prequel novella.
