**Von Don L Clark : Yala (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Yala (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Yala ScoresVon Pat ClarkYala is a western with an eastern twist. Two ex-Texas Rangers meet, fall in love with and assist a Chinese female assassin as she tries to clean up a scam being worked on oriental emigrees to the West. A nice mix of eastern philosphy with lots of surprising twists and turns. Plenty of excitement and romance with the good guys

prevailing in unexpected ways. You'll like this if you like westerns or wam-bam martial arts stories.

KurzbeschreibungYala: At the end of the 19th Century, a female Chinese assassin and two former Texas Rangers team up to free enslaved immigrant Chinese workers from a cabal of Chinese aristocrats who attempt to create a New China in the area between Mexico and Texas. Nominated for Frankfurt International E-Book Award.KurzbeschreibungYala: At the end of the 19th Century, a female Chinese assassin and two former Texas Rangers team up to free enslaved immigrant Chinese workers from a cabal of Chinese aristocrats who attempt to create a New China in the area between Mexico and Texas. Nominated for Frankfurt International E-Book Award.AutorenkommentarWhy I write adventure novels.Hi Potential Readers: I'm delighted Yala is available one place or another in all the new formats,from paperback to diskette, to e-mail download. I think the new trends in the book business are exciting. I was a twenty year military man who had assignments mostly in intelligence and as an attache behind the iron curtain. I'm a third degree black belt in judo and love sports and political intrigue. Yala blends eastern martial arts with western adventure (I'm also a Texan who dreamed as a kid of being a Texas Ranger). I think it's a rollicking adventure story, proffers a sweet romance, and if I've done what I think I've done, it will also make all of you think about how best to deal with the evil doers of our world. I'd love to hear your responses. Yours for happy reading,Don L. Clark
