SuperVon UihUijIst im Prinzip ein Buch, welches zwar aus 3 Teilen besteht, aber dennoch eine komplette Geschichte ist. Super geschrieben und spannend. So kann man sich wirklich mal in die "Probleme" der reichen hineinversetzen lassen! Es macht Spa zu lesen, kann ich sehr empfehlen!!

KurzbeschreibungNow in one volume! The sizzling best-selling new adult romance trilogy--Year of the Billionaire. Follow Raina and Tristan through three fast paced, suspense filled novellas--Knowing His Secret (Part 1), Taking His Risk (Part 2), and Keeping His Promise (Part 3).Knowing His Secret--the scorching beginning to Raina and Tristan's affair.He looked like the kind of man even my mother would call smokin' hot. Eventually, she did. He felt like the kind of man who didn't just break the rules, but made new ones. He led and it was follow or get out of the way.Why did a billionaire with a voice like liquid silk and a face like a bad angel take a second look at a girl in no-name jeans, with a fifteen-dollar haircut and a beat up car she calls her "Eep" because the 'J' fell off long ago?I didn't want to know why and when I thought I knew I didn't want to admit it. By the time I found his secret, it was already too late. His passion had me hooked like a drug. It didn't hurt that he pulled the people I love the most out of harm's way. A girl can get used to a knight in shining armor even when the armor has some very large dents in it.Taking His Risk--the second installment, full of suspense and surprises.I was hurtling across the ocean, a mile high, destination unknown. I'd brought a passport and nothing else. He seemed determined to make everything in my life brand new. He revealed me, peeling back layer after layer until all that was left was my raw intimate core. Yet, I hardly knew him.Crazy is a pretty good word for the kind of uncertainty that comes with a man like Tristan King. I never knew what the day would bring, but I began to expect surprises. That was the biggest problem. Managing my expectations with a man who'd told me I couldn't have any.For a regular girl, falling for a man like him was taking a very big chance. Was it really possible to love one day at a time?Keeping His Promise--the soulful and satisfying conclusion to a journey of discovery, danger and delight.Just carrying a million dollars around is exhausting. Paying my mother's ransom was a relief but I had too much time to think about Tristan on that ferry ride. He was more than I had dared hope for and less than I deserved.I underestimated his power and didn't give him nearly enough credit for determination. He had me on his jet again, flying high and wanting him. Consequences be damned.Who could be prepared for what he had to say? I wasn't going to hold him to the promise he intended to keep. When he opened the heavy door to his heart we both knew it would change what we had. Trouble is, I still didn't have a word for what it is we had.Our bodies tended to do all the talking. Sometimes, it seemed to me there wasn't much left to say.Meant for mature readers, this book is five flames in heat and raw language.KurzbeschreibungNow in one volume! Although you wouldn't know it by looking at me, I have a great grandparent who was a member of that Native American Tribe. Her people once lived in the very southeastern corner of Montana where I now

make my home. I didn't always live in such a wide open space, though. I grew up in New York City. Much as I love the city and admire what it takes to live there, I met a kindred spirit at Columbia University and together, we found a way to take our lives from the Big Apple to the Big Sky. We haven't regretted a moment. We've got a smallish ranch where we raise cattle and keep a menagerie of other animals, too. Once or twice a year, we hire a 'ranch sitter' and take an urban vacation somewhere hitting all the restaurants, plays, museums and musical performances we can squeeze in. Then it's back to the wide open. A writer finds creativity flourishes in solitude. My fantasy world is full of characters and stories lined up and waiting for me to bring them to life. I hope you will enjoy reading them as much as I enjoy writing them.
