Sharp in bewhrter Form Von Plschie Wie immer: bissig und unterhaltsam. Die Marie-Sharp-Bcher werden immer noch ein bisschen besser. Absolut lohnende Lektre, kurzweilig und trotzdem gehaltvoll!

Kurzbeschreibung Another year, another January, and Marie Sharp has written a new diary, dishing the dirt on how the cool grannies live today. And her drug cravings aren't the half of it. There's the handsome stranger who arrives as her new lodger. Is he all that he seems? There's the new project - teaching art at a school, now that her grandchild-minding days are numbered. Not to mention the mad dog and the crazy new neighbour. And then there's the lump, a frightening symptom of... what? Marie is back, courting laughter and disaster in equal measure. In her own inimitable style, she's getting older... and loving every minute of it.
