**Von Carolyn Scott : You Again: A short romantic comedy mystery (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised You Again: A short romantic comedy mystery (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 3 Kunden fanden die folgende Rezension hilfreich. ziemlich viel Sex, wenig InhaltVon Kuferwell, naja, ein Buch, dass man besser nicht in der Ubahn liest, wo der Nachbar kurz

mal ber die Schulter mitliest, da die Sexszenen, doch sehr deutlich aund ausfhrlich dargestellt werden.

Kurzbeschreibung Lily McAllister never wanted to see Luke Tanner again after their split two years ago. The by-the-book cop made it perfectly clear he didnt want to marry into the citys first family of crime after he found out Lily was one of those McAllisters. So when he turns up at her house, shutting the door in his face seems like the best thing to do, especially since shes just broken the law. She would have done it too if he hadnt handcuffed her. Now shes got to explain why he shouldnt arrest her for stealing a diamond necklace when her face is on the CCTV footage. And shes got to ignore the feelings resurfacing between them. Luke Tanner still loves Lily, despite her family. It defies logic but his feelings for her never had anything to do with his brain. Now logic has taken a hike again because hes willing to do anything to win her back, including breaking the law. And grovel. A lot. YOU AGAIN is a 27,000 word novella, approximately one-third the size of a novel. It is a complete story.
