Anna...Von DeedaOn an appointment with her solicitor she meets Nick, also a soon to be divorced. A really nice man. So she is delighted to find out, that the only job offered to her is as his assistant in his second-hand car park. Not that

what she dreamed of, but with Nick as company. And that's the thing Nick thinks too. After his wife betraying him with the butcher, his self-esteem got really damaged. He moved back with his parents and is fed with pudding. His friend Sam on the other hand is a real heartbreaker, until he meets Anna best friend Sophie, a depressed and tired mother of two with a husband who seems to see right through her. This novel is a really good read unlike 'With or Without You'. Anna and Nick are very likeable characters and there is no doubt about them getting together, only when and which obstacles there will be is the question. An amusing novel!

Kurzbeschreibung The last place Anna Terry expects to fall in love is in the waiting room of her divorce lawyer's office, but that's where she meets Nick Diamond . . . Anna's first marriage ended before her pregnancy was over, and her second husband has disappeared, leaving her penniless and with two children. Nick's luck hasn't been any better: his wife has run off with another man and his business is in chaos. When Anna gets a job as Nick's secretary, what starts as a mild flirtation soon accelerates into overdrive - and then their ex-partners show up . . .
