Title: YOU'VE GOT BEARSHIFTERS IN SEATTLE  
Author: Truli Thorne  
Reviewer: Stephanie Jordan  
This is a new author for me, but it won't be my last, I like Ms. Thorne writing style. To me she shows the personality of each character. Yes, this was keeper. Amy is a human who loves to do things with chocolate her mother's secret recipes are to die for. Not only that but Amy made chocolate lotions, Be a little Naughty. Saving for five years to make her dream come true and she did make end meet never in the red but never any savin either, selling all by customers word of mouth. All that was over now, the Mall was sold, to Harris International to be virtual mall space. Mitchell the sexy security guard, who was a jerk was showing Zach a Bear Shifter around the mall, they stopped by at the only opened shop, Amy's. Zach looking at Amy couldn't believe it, it was her, his mate. Mitchell starts to man handle Amy and Zach's Bear tries to get to his mate, but Zach control him and screams at Mitchell. Sweet talking Amy came natural to Zach and he meant every word, as Amy was hanging on to every word let alone attracted to this beautiful hunk of a man. Then Mitchell introduced Amy to Zach Harris and the fire works began. I was gifted this ARC for an honest and truthful review.
