Nice and good written.Von LenaRibkaIt was okay read though the ending spoiled the story for me.It was an interesting twist but totally out of place here.I felt like always what hat happened before was WRONG.But it is just my opinion.I will definitely read more of this author.0 von 0 Kunden fanden die folgende Rezension hilfreich. CuteVon Y.Y.This wasn't so bad, though the younger man was a little too twinkly for my liking. The BDSM elements are lightly touched, but not

properly explored. I liked the twist in the end, though.0 von 0 Kunden fanden die folgende Rezension hilfreich.
Excellent storyVon CustomerI have bought books written by this author before , and once again loved her work.The
story was great! The twist at the end was a nice surprise.

KurzbeschreibungThis is a Gay Romance. It contains mild BDSM related material and sexually explicit scenes
between men.Kyle is a lost boy. Freed for his own good, hes doing his best to follow through on promises made. But
hes struggling, theres no doubt about it. That is, until he suddenly finds himself in a place he least expected. Beau is an
independent man, answering to no one but himself. If hes lonely, its a small price to pay. That is, until a beautiful, lost
young man stumbles into his bar on Valentines Day. He cant turn him away. The boy needs him. Or is it the other way
around?This is a previously published title. Only the publisher and cover have changed.KurzbeschreibungThis is a
