reading Von Sandra It's a typical average romance, entertaining for a few hours, but the obstacles keeping the main characters apart were a bit weak.

Kurzbeschreibung The responsible one. The steady, reliable one. Lauren Roberts has had her fill of it. Running her bed-and-breakfast like clockwork and hosting her younger, glamorous, songbird sister for the holidays only underscores Lauren's choice of order over risk. Kelly's vibrant and impetuous nature doesn't stick to anything--or any one woman--for long. That includes an old girlfriend of Lauren's who was dazzled by Kelly, then dumped, shortly after Lauren stepped aside. Old memories are sharply painful with Kelly under her roof. With the inn full, Lauren's patience and control is stretched to the limit. When Kelly brings home Lauren's friend Gaylin Hart, Lauren realizes Kelly has again laid claim to something she might well have wanted for herself. It looks like history might repeat itself--if Lauren lets it. Bestselling author Kenna White (*Romancing the Zone*, *Comfortable Distance*) weaves a story of sisters and the choices as a woman struggles to claim the love she has earned.
