It's much more than just great erotica, it is really FANTASTIC erotica!!!!Von LenaRibkalf you are looking for a book with HOT STEAMY SEX Scenes that also have a great plot you have to read Nicole Edwards and you have to read this

serie! It will satisfy every craving and desire that you may have. But don't read it in public!! You won't be able to hide your aroused reactions ;-))This book is about the youngest Walker, Zane. Since reading "Kaleb" I've wondered what would happen between Zane and V and I wasn't disappointed at all!! The tension and suspense of the story is amazing!Be warned, due to the graphic language and some of the matter (m/m, m/f/m, m/m/f encounters) this book is not everybody's cup of tea, but I loved every freaking minute of it!I am looking forwards to Travis's story!! I hope it'll come soon!0 von 0 Kunden fanden die folgende Rezension hilfreich.
